

Stonewall Jackson

G - gDGBD

Tab by Ken Torke
Taught by Candy Goldman and the Cannotes
Walker Creek Music Camp
10/12/14
www.TaterJoes.com

The first line of guitar tablature consists of four measures. The strings are labeled D, B, G, and g. Measure 1: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). Measure 2: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). Measure 3: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). Measure 4: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). There are also some fret numbers (1, 2) and a 'Po' (pull-off) marking in the second measure.

The second line of guitar tablature consists of four measures. Measure 1: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). Measure 2: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). Measure 3: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). Measure 4: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). There are also some fret numbers (1, 2) and a 'Po' (pull-off) marking in the second measure.

The third line of guitar tablature consists of four measures. Measure 1: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). Measure 2: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). Measure 3: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). Measure 4: D string has two open circles (0); B string has two open circles (0); G string has two open circles (0); g string has two open circles (0). There are also some fret numbers (5, 7, 9) and 'Po' (pull-off) markings in the second measure.
