All around the mountain, honey
All around the mountain, hey
All around the mountain and it was so cold
Couldn't hear nothing but the car wheels roll, hey

One of these days and it won't be long, honey
One of these days and it won't be long, hey
One of these days and it won't be long,
Call my name and I'll be gone, hey

Lying in your bed in the middle of the night, honey
Lying in your bed in the middle of the night, babe
Lying in your bed in the middle of the night
Wondering why you didn't treat me right, hey

Standing on the corner with a dollar in my hand, honey
Standing on the corner with a dollar in my hand, hey
Standing on the corner with a dollar in my hand
Looking for a woman that's got no man, hey
